

Conference Announcement

EU Horizon 2020 MyToolBox Stakeholder Workshop Strategies for Effective Mycotoxin Management

Host: MyToolBox
ASAG

Organizer: Romer Labs

Co-organizer: InfoEx

April 16-17, 2019 - Beijing, China
Beijing Landmarks Tower (a.k.a. Liangmahe Mansion)
Add: 8 East 3rd Ring North Road, Chaoyang District, Beijing

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 678012

Special Notice

1. The conference language is Chinese and English, with simultaneous interpretation.
2. The purpose of this conference is to exchange the latest research progress in the field of mycotoxin without any political or other sensitive topics.

Abbreviations for Affiliation in China

CFSA: China National Center for Food Safety Risk Assessment

ASAG: Academy of State Administration of Grains

CAAS-IFST: Chinese Academy of Agricultural Sciences-Institute of Food Science and Technology

CAAS-FRI: Chinese Academy of Agricultural Sciences-Feed Research Institute

CAAS-CNFQCC: China National Feed Quality Control Center-Institute of Quality Standard and Testing Technology for Agro-Products of CAAS

Sinograin: China Grain Reserves Group

Conference Program

April 16	Activity	Agenda Item / Title		Speaker	Affiliation	Target Group
9:00	Information	Welcome and Introduction		TBD	ASAG/CAAS/BOKU/ Romer Labs	All participants
10:00	Presentation & Training	Introduction to MyToolBox project		Rudolf Krska	BOKU	All participants
10:30	Tea Break	Tea Break				
10:45	Presentation	Mycotoxin Risk Assessment and Monitoring of Food in China		Dajin Yang	CFSA	All participants
11:15	Presentation & Training	BIOCONTROL Application and efficacy of atoxigenic <i>Aspergillus</i> strains		China: Yang Liu	CAAS-IFST	All participants
				EU: Ferenc Bagi	University of Novi Sad	
				China: Changpo Sun	ASAG	
12:00	Presentation & Training	FORECASTING Functionality of in-field forecasting model		EU: Cheng Liu	RIKILT	All participants
12:30	LUNCH	LUNCH				
13:45	Presentation & Training	SAMPLING & ANALYSIS	Cost-effective sampling plans	EU : Cheng Liu	RIKILT	All participants
			Analytical techniques	EU : Monique de Nijs		
			Monitoring techniques of mycotoxin in grains	China: Songxue Wang	ASAG	
14:30	Presentation	Application and challenges of mycotoxin detection		David Zhang	Romer Labs China	All participants
15:00	Presentation	Research and control of mycotoxin in dairy raw materials		Xiaoping Huang	Yili	All participants
15:30	Presentation	Control and prevention of mycotoxin in dairy cow feed		Wei Yang	Modern Farming	All participants
16:00	Tea Break	Tea Break				
16:20	Group Discussions	Group 1: BIOCONTROL		China: Yang Liu Changpo Sun EU: Ferenc Bagi	CAAS-IFST ASAG University of Novi Sad	End users and stakeholders from China
		Group 2: SAMPLING & ANALYSIS		EU: John Gilbert Monique de Nijs China : David Zhang	FLI RIKILT Romer Labs China	
		Group 3: FORECASTING		EU: Cheng Liu China: Songxue Wang	RIKILT ASAG	
		Conclusions from Group 1-3		China and EU rapporteur	\	All participants
18:00	Wrap up			Rudolf Krska Professor	BOKU	All participants
18:30	Dinner	Dinner				

April 17	Activity	Agenda Item / Title		Speaker	Affiliation	Target Group
9:00	Information	Introduction to Day 2		Rudolf Krska	BOKU	All participants
9:15	Presentation & Training	SILO MANAGEMENT Biological models, sensors, and decision supporting tools for cereals		China: Zhongjie Zhang	ASAG	All participants
				EU: Naresh Magan Ignacio Montero Castro	Cranfield University IRIS	
9:45	Presentation	Research progress and prevention controls of mycotoxin in raw grains		Zhihang Zhang	Sinograin	All participants
10:15	Tea Break	Tea Break				
10:30	Presentation & Training	DETOXIFICATION	Innovative Milling Thermal Processing	EU : Michele Suman	BARILLA	All participants
			Recombinant Enzyme Technology for FBs in Swine	EU: Veronika Nagl	BIOMIN	
			Absorption for AFB1 in Cattle Feed	China: Jinquan Wang	CAAS-FRI	
11:30	Presentation	Mycotoxin risk management of feed		Qingwei Wang	BIOMIN China	All participants
12:00	LUNCH	LUNCH				
13:30	Presentation	Monitoring and early warning of mycotoxin in feed		Xia Fan	CAAS-CNFQCC	All participants
14:00	Presentation & Training	SAFE USE OPTIONS Bioethanol and Biogas production		EU: Michael Klingenberg	SÜDZUCKER	All participants
				EU : Gerd Schatzmayr	BIOMIN	
14:30	Presentation	Impacts and prevention control of mycotoxin in food processing raw materials		Guangtao Zhang	Mars	All participants
15:00	Training	INTERACTIVE PRESENTATION OF THE MYTOOLBOX e-PLATFORM		EU: Ignacio Montero Castro	IRIS	All participants
15:30	Tea Break	Tea Break				
15:50	Group Discussions	Group 1: SILO MANAGEMENT		China: Songxue Wang Zhongjie Zhang EU: Naresh Magan	ASAG Cranfield University	End users and stakeholders from China
		Group 2: DETOXIFICATION		China: Jinquan Wang Qingwei Wang EU : John Gilbert Michele Suman	CAAS-FRI BIOMIN China FLI BARILLA	
		Group 3: SAFE USE OPTIONS		EU: Gerd Schatzmayr Michael Klingenberg	BIOMIN SÜDZUCKER	
		Conclusions from Group 1-3		China and EU rapporteur	\	All participants
17:30	Wrap up			EU/China		All participants
18:00	Conclusions of 2 days			Rudolf Krska	BOKU	All participants
