WMFmeetsASIA2020 – the 12th Conference of The World Mycotoxin Forum®. The conference offers a unique platform for the food and feed industry, science and regulatory authorities to exchange current knowledge, to promote harmonisation of food and feed safety regulations and control procedures, and to make recommendations for integrated strategies ensuring the safety and security of food and feed supply chains.

GENERAL CONFERENCE CHAIRS

- Prof. Rudolf Krska – Department IFA-Tulln, BOKU Vienna, Austria
- Prof. Chris Elliott – The Institute for Global Food Security, Queen's University Belfast, Northern Ireland

STEERING COMMITTEE

- Dr Kaushik Banerjee – National Research Centre for Grapes, Indian Council of Agricultural Research (ICAR), India
- Dr Awanwee Petchkongkaew – School of Food Science and Technology, Thammasat University, Thailand
- Dr Amnart Poapolathep – Department of Pharmacology, Kasetsart University, Thailand
- Prof. Liu Yang – Institute of Food Science and Technology, Chinese Academy of Agricultural Sciences (CAAS), China
